Docket No. 98N-1265

7777 99 MAY 26 AIO 54

Food and Drug Administration

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I live in a remote part of South Dakota,
and the pharmacy here does not have or carry the
products I need. My doctor, (he is a M.D.) connected
me with this out of state pharmacy. Please don't
take this away from me.
Thanks.
